

ASMR NSW 2018 ANNUAL SCIENTIFIC MEETING

Part of ASMR Medical Research Week®

Friday 8th June 2018, 9:00am-6:30pm,

NSW Teacher's Federation Conference Centre, 37 Reservoir St, Surry Hills

Plenary Speaker

Professor Chris Goodnow BVSc, PhD, FAA FRS
Director, Garvan Institute of Medical Research

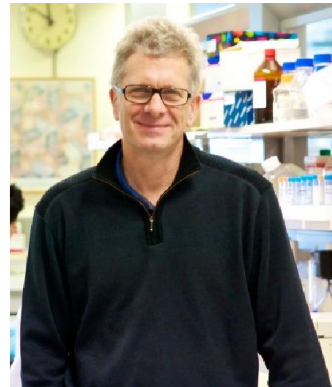

Professor Goodnow is a NHMRC Australian Fellow and Head of the Immunogenomics Lab at the Garvan Institute. He is internationally recognised for his research into how the immune system distinguishes “self” from “non-self”. His research has great potential to illuminate the origins of autoimmune diseases and cancers.

Professor Frank Lovicu
Anatomy and Histology

Dr Jelena Rnjak-Kovacina
Bioengineering

Professor Richard Harvey
Otology and Neurotology

A/Prof Shelia Donnelly
Molecular Immunology

Online registration and abstract submissions are now open
