

# Gala Dinner

## ASMR Medical Research Week®

The ASMR Medical Research Week® Gala Dinner is a fantastic opportunity to hear from a world leading researcher ASMR Medallist 2018.

Featuring the 2018 ASMR Medallist  
**Professor Hope Jahren.**

*Professor of Geobiology*

*The Centre for Earth Evolution and Dynamics  
University of Oslo, Norway*

Professor Jahren is a geobiologist whose research is crossing interdisciplinary boundaries, using her knowledge and expertise in stable isotope chemistry to develop new tools to better understand dietary sugar intake and sugar metabolism.

A passionate advocate for science and best selling author of the critically acclaimed *'Lab Girl'*, her story of the triumphs and challenges of a career in science will resonate with many.
