

ASMR NSW 2018 GALA DINNER

ASMR Medical Research Week®

Wednesday 6th June 2018, 6:30pm

The Tea Room, Queen Victoria Building, 455 George St, Sydney

The ASMR NSW warmly invites you to attend our annual Medical Research Week® Gala Dinner, which includes an oration from the 2018 ASMR medallist, Professor Hope Jahren from the Biology Institute, The University of Oslo, Norway.

Professor Hope Jahren BA, PhD
The University of Oslo, Norway

Professor Hope Jahren is a distinguished geobiologist and author of the critically-acclaimed memoir 'Lab Girl'. She was named as one of Time Magazine's 100 Most Influential People (2016) for her pioneering work on stable isotopes in human metabolism and the environment, as well as her advocacy for research funding and gender equity in science.

Tickets \$140 each, available at
