CALL FOR ABSTRACTS

Hosted by the Hon. Roger Cook MLA, this event is a unique opportunity to showcase West Australian research in poster format around the gallery, during a reception with WA parliamentarians.

If you are scientifically or clinically qualified, 5-15 years post-PhD or equivalent (awarded 2004-2016) and conduct medically-related research in Western Australia, you are invited to submit an abstract for this event. You are encouraged to present the work of your laboratory.

We expect competition for places at this event to be high as there will be a limited number of posters displayed.

You do not have to be an ASMR member to submit an abstract or present. There is no registration fee.

Submission should be sent to ASMR(WA) at: asmrwa_slip@outlook.com by the 12th July 2019.

Please direct all enquiries about this event to melissa.eccles@curtin.edu.au

Abstract deadline: 12th July 2019
