Hosted by the Hon. Roger Cook MLA, this event is a unique opportunity to showcase Western Australian research in poster format around the gallery, during a reception with WA Parliamentarians.

If you are scientifically or clinically qualified, 5-15 years post-PhD or equivalent (awarded between 2006 - 2016) and conduct medically-related research in Western Australia, you are invited to submit an abstract for this event and encouraged to present the work of your laboratory.

There will be a limited number of posters displayed, therefore competition for places at this event will be high.
