Professor Maciej Henneberg (University of Adelaide), **Dr Renuka Visvanathan** (Queen Elizabeth Hospital & University of Adelaide), **Professor Caroline McMillen** (University of Adelaide) and **Professor Gary Andrews** (University of SA) discuss -

“Secrets of Healthy Ageing”

A scientific approach

Can sex over 70 be fun?
Can you give the gift of healthy ageing to your unborn child?

Our speakers look at various aspects of ageing from their own specialist perspectives.

When does Ageing start?
What is healthy Ageing?
What factors influence Ageing?
What are the social aspects of Ageing?

A Free Public Lecture

Nova East End Cinemas, 251 Rundle St, Adelaide

When: 9th June 2005, 6:30 pm
